AN SUV. WITH A TWIST.

The Volvo XC40 is an authentic SUV for the city. High ground clearance, large wheels, and true SUV proportions give it a powerful stance. From the bold front grille to the beautifully detailed taillights, it's every inch a Volvo. Uniquely Scandinavian, it's an SUV built for city life.

STAND TALL

High ground clearance gives the XC40 a powerful stance and excellent visibility. Large wheels and tires cope effortlessly with any road. This is the SUV that allows you to rise above it all.

STRENGTH OF CHARACTER

The XC40 expresses toughness and is unmistakably a Volvo, through features such as its proud grille, Thor's Hammer light signatures, and the sculpted front bumper with skid plate.

ALWAYS READY

Large alloy wheels and a wide body give the XC40 a strong presence. This is an SUV that's ready for anything.

MAKE A BOLD IMPRESSION

Make a statement with a choice of contemporary colours. And, depending on trim level, the roof and door mirror housings can be specified in a contrasting colour for an even bolder look.

LIGHTING WITH DISTINCTION

See and be seen, day or night, with standard LED headlights that feature the XC40's own take on Volvo's unique Thor's Hammer light signature. They automatically adjust the beam height and switch between dipped and full beam to provide the best view and avoid dazzling other road users. The optional high-level LED headlights include active bending lights that turn with the steering (by up to 30°) to provide a better view around corners.

SPECIALLY DESIGNED ALLOY WHEELS

A selection of alloy wheels help you to create your perfect XC40. Each one has a bold, dynamic design, as well as the attention to detail and high-quality finish you expect from a Volvo.

AN INTERIOR TO INSPIRE

Bold, progressive design is the hallmark of the Volvo XC40, and the cabin embodies forward-thinking Scandinavian style. An uncluttered layout lets you focus on the beautiful details, while the high seating position means you always feel in control. Carefully crafted and selected materials indulge the senses, and intuitive technology puts you in command. The cabin of the XC40 is a place that will inspire you on every journey.

BEAUTY IN DETAIL

It's the details that set Volvo Cars interiors apart. The thought, effort, and craftsmanship that go into the smallest elements in the cabin of the XC40 help to create a unique and special feeling each time you climb inside.

Natural light from the panoramic roof, our characteristic frameless rear-view mirror, and LED lighting on the distinctive concave decor panels on the dashboard are just a few of the visual highlights in a cabin designed to look great – and to make you feel good.

LAVA CARPETING

One of the highlights of the R-Design variant is the availability of Lava carpeting and door inserts. It has a rich, bold colour that perfectly expresses the youthful character of the XC40.

LED LIGHTS

The XC40 is available with Interior High Level Illumination that highlights the beautifully sculpted dashboard and stylish decor panels at night.

SUSTAINABLE BEAUTY

Made from 100% recycled material, the textile interior mats of the XC40 combine modern style with a sustainable, environmentally responsible approach.

DOOR HANDLES

The bold, finely crafted door handles in the XC40 echo those in our larger SUVs, while their metallic finish feels sleek and refined to the touch. The XC40 is a car that rewards all your senses.

T5 AWD | Momentum

PANORAMIC ROOF

The interior of the XC40 is shaped by a uniquely Swedish appreciation of light. A panoramic roof floods the interior with natural light by day. (Optional)

AIR VENTS

The air vents in the XC40 are an example of our designers' ingenuity, with an innovative design that combines a beautiful minimalist appearance with effortless functionality.

REALLY CLEVER STORAGE

The innovative storage solutions in the XC40 are the result of us listening to our customers and understanding what they want from their cars. The front door pockets are each large enough for a laptop, handbag, or even three large bottles. This feature is made possible

by Air Woofer Technology™, a Volvo Cars innovation that uses an audio speaker mounted behind the dashboard, rather than in the doors, to free up space where you need it most. It's just one of the many ways that the XC40 helps to make every day easier.

WIRELESS PHONE CHARGING

There's a space beneath the centre touchscreen where a mobile phone can be stored and wirelessly charged, helping to reduce clutter and making it easy to reach when you need it. (Optional)

T5 AWD | R-Design
Leather/Nubuck, Charcoal, RB00 | Lava Interior Carpeting (Optional) | Cutting Edge Aluminum Decor Inlays, 480

LARGE DOOR BINS

Doors free of speakers mean that the pocket is large enough to fit a laptop or handbag.

CARD HOLDERS

Card holders integrated neatly into the dashboard allow you to keep a credit card or parking pass easily within reach. For increased security, there is an additional card holder hidden discreetly in the front centre console.

SMART STORAGE

The storage bin under the front centre armrest is large enough to hold a small handbag or even a full-size tissue box, and has a removable waste basket in front of it.

BAG HOOK

Keep a small bag or takeout food secure with a hook that folds neatly out of the glovebox and prevents items from moving around or spilling while you're driving.

Go hands-free

When your hands are full, the power-operated tailgate on the XC40 makes life easy. And when combined with the keyless entry option it means you only need to move your foot under the rear bumper to open or close it automatically.

The right fit

The XC40 helps you fit your life into your car. The load compartment is one of the largest in its class, with a regular shape that makes it easy to load and helps make the most of the space. The optional folding load floor* helps you adapt it to whatever you're carrying.

A VERSATILE SPACE

Everything starts with people at Volvo Cars – it's why we look, listen, and design cars around their needs. And it's why the Volvo XC40 is full of practical, versatile features that help you carry what you want as easily as possible. Load and unload your car with ease thanks to a large cargo area that can be accessed by a hands-free power-operated tailgate. If you need to carry bulky or unusually tall items then you can take advantage of the foldable, removable load floor. And if you need even more space, fold the rear seat backrests flat at the touch of a button.*

Valuable items can be stored securely out of sight under the load floor. And to make the load area as versatile as possible, the folding floor can be placed in multiple positions. There are also four load-securing tie-downs to keep delicate items safe and to protect the car's occupants, plus three bag hooks that ensure your shopping doesn't move around or spill in transit. Whatever type of load you need to carry – large or small – your XC40 helps make it effortless.*

*All load features optional.

Your guide

Sensus Navigation is your guide, helping you find your destination and keeping you informed. With clear mapping, free lifetime map upgrades, and the availability of apps that help you find what you're looking for and share your location, you can enjoy the journey ahead. (Optional on Momentum)

Every interaction in the XC40 feels natural and intuitive. From the easy-to-use 9" Sensus Touchscreen to the high-resolution 12.3" Digital Driver Display and voice control that understands normal speech, the standard technology is there to make things simple.

It's as familiar and intuitive as using your phone. You can control most functions via the 9" Sensus Touchscreen – its portrait format and bold, clear graphics make it easy to read, and it's so responsive that you can use it wearing gloves. Standard Apple CarPlay™ and Android Auto™ help keep you connected when on the move.

The 12.3" Digital Driver Display helps you stay focused on the road ahead by putting all the information you need directly in front of you. And it automatically adapts to the surrounding light conditions, becoming brighter or dimmer depending on the light coming from outside the car.

All about the bass
The XC40 features Air Woofer Technology™ – a new type of audio speaker that brings you precise sound and great bass reproduction. And because it's mounted behind the dashboard rather than in the doors, it frees up the cabin for valuable extra storage space.

Streaming. On demand.
Access to streaming services is just the touch or a voice command away in the XC40. Standard Apple CarPlay™ and Android Auto™ means that you can easily listen to music, news, and audiobooks via your favourite apps.

Harman Kardon® Premium Sound
Enjoy your favourite music to the fullest with the available Harman Kardon® Premium Sound system in the XC40. This top-of-the-range audio system draws on the expertise of one of the world's leading audio brands to provide powerful, resonant sound.

DESIGNED FOR SOUND

We understand that music can make the difference, and the Volvo XC40 has been engineered to let you enjoy your favourite music to the fullest. Every XC40 features Air Woofer Technology™ that delivers precise, powerful bass.

For an even more immersive experience, choose the optional Harman Kardon® Premium Sound audio system. A collaboration with one of the world's leading audio brands, it features 13 speakers and 600 watts for a beautifully balanced, powerful sound.

ALWAYS CONNECTED

The Volvo On Call app connects your car with the rest of your world, helping make life less complicated. It's always there when you need it, so your car becomes more than just a means of travel – it's your personal assistant.

You can use it to prepare your car for the drive to the office or the drive home by remotely cooling or heating the cabin. It can remind you that you have left your car unlocked and allow you to remotely lock or unlock your car from anywhere in the world. You can sync your Volvo On Call app with your calendar, so if you have appointments it will tell your car where they are and how to get there. And it keeps you safe, automatically contacting emergency services if you're involved in an accident and telling them where you are.

YOUR DAY MADE EASIER WITH VOLVO ON CALL

From saving you time in the morning to helping you relax on the way home, Volvo On Call can be an integral part of your daily routine.

CONNECTED. CONVENIENT.

T5 AWD | R-Design
707 Crystal White Metallic

By combining the connectivity of your XC40 with your mobile device, the XC40 can become much more than just a means of transport. Thanks to the Volvo On Call app and Sensus Connect, you have access to a range of connected services that make your car a life hub for you, your family, and your friends.

The remote engine start allows you to begin every drive in comfort. Heat and defrost your car on cold mornings and cool your car on hot days before you even get in. You can also check if a window or the tailgate is open and see if your car is locked, then lock it or unlock it, directly from your smartphone.

Your entertainment options are not limited to what's available on your smartphone. WiFi and tethered internet enable you to utilize a fast and stable connection through the antenna. Sensus goes even further, with built-in apps that keep a world of music at your fingertips,

keeping your devices connected to the internet, while audio systems offer considerable flexibility when it comes to your sound.

Our new car sharing offer is another innovative service. It allows you to share your car – and the services that go with it – by granting access to friends, family members, or colleagues through their mobile device and the Volvo On Call app. Once they have opened the car, the special key in the cabin is activated and they can use this to lock, unlock, and drive the vehicle. Not having to meet up and hand over a physical key opens up a world of possibilities – it means that a friend or colleague can access or borrow your car, wherever you are and wherever your car is. It's connected thinking for a connected world, by Volvo Cars.

CITY SAFETY. PROTECTING WHAT'S IMPORTANT TO YOU.

Volvo Cars is synonymous with safety, and the advanced features in the XC40 are the result of decades of experience and innovation – they are there to help you avoid a collision and protect you and your passengers if one should occur.

At the heart of everything is City Safety. This innovation identifies other vehicles, pedestrians, cyclists, and large animals ahead, even at night, and warns you if a collision is imminent. If you don't react in time, it will apply the brakes automatically to help avoid or mitigate a collision.

City Safety is standard for every XC40. It will play a key role in helping us to realize our vision that, by 2020, no one will be killed or seriously injured in a new Volvo car.

Intersection Braking
City Safety includes an intersection braking function that can help make an accident at a road junction less likely or less harmful. This feature – a world-first when it was introduced in the Volvo XC90 – automatically brakes the car if the driver turns into the path of an oncoming vehicle.

Lane Keeping Aid
Fitted as standard, this feature monitors the road ahead and gently steers the car back into its lane if it detects that you're about to cross a lane marking unintentionally. If the car's steering adjustment isn't enough, or if you cross into the other lane, you'll be alerted by a warning sound or gentle vibrations through the steering wheel.

Run-Off Road Mitigation
Our Run-Off Road Mitigation technology helps keep you safe by keeping you on the road. If this innovation detects you are about to leave the road unintentionally at any speed between 65-140 km/h, it uses steering input and, if necessary, brake support to guide you back on track.

Rear Collision Warning
Included as part of the Vision package, our rear collision warning system works to protect you if it detects a risk of a collision from behind. Right before a collision occurs, the system will automatically tension the front seat belts and, if your car is at a standstill, will also activate full auto-braking.

Blind Spot Information System (BLIS)
BLIS uses radar sensors at the rear of the vehicle to make your journeys safer and less stressful. As a vehicle enters your blind spot, this function can alert you via a warning light built into the front door mirrors.

Cross Traffic Alert with Autobrake
Cross Traffic Alert with Autobrake is included on all vehicles equipped with BLIS, and alerts you of crossing traffic from the sides when reversing out of a parking space. If the driver should continue reversing in spite of the warnings and a collision is about to happen, the car automatically brakes.

SAFER THAN EVER

Protecting you and your passengers has always been at the heart of every Volvo car, and the advanced safety features in the XC40 are the result of our decades of innovation.

As with all of our cars, the Volvo XC40 surrounds you with strength. The passenger compartment uses a high percentage of ultra high-strength boron steel to create a protective cage around you and your passengers. Specially designed front seat structures minimize the risk of spinal injury on impact. The front seats incorporate our Whiplash Injury Protection System to minimize the risk of neck injuries if the car is hit from behind. If your XC40 leaves the road, Run-Off Road Mitigation reduces your chance of serious injury. And front seat belts automatically tighten if the car senses that an impact is imminent, putting you in the safest possible position if a collision occurs. All this, and more, makes the XC40 a safe place to be.

YOUR JOURNEY BEGINS HERE

We created the new Volvo XC40 with one single purpose: to provide you with a city SUV that perfectly fits you and your lifestyle. It's a car that meets your expectations of a fun, agile drive with exceptional comfort and distinctive Scandinavian design – built with care for people and the world we share. Designed to be intuitive to use and to make life easier, the XC40 is a pleasure to live with every day.

At the heart of your XC40 is an efficient, responsive powertrain. You will enjoy our latest Drive-E technology that gives you responsive

power – fuel consumption and CO₂ emissions are kept low, and our powertrains already comply with future exhaust emission legislation.

Every Volvo engine is mated to our 8-speed Geartronic™ automatic transmission for a smooth and intuitive drive. With the T5 AWD, responsive all-wheel drive technology gives you an edge by increasing driving stability and traction – on all road surfaces and in all weathers. Enjoy wherever the journey takes you in the all-new Volvo XC40.

R-DESIGN. THE SPORTY LOOK.

The R-Design captures the sporty soul of your Volvo XC40, with a black colour theme, including the roof and other distinctive exterior design details. Large alloy wheels enhance the car's road presence and add to the powerful look. It's an expression that catches the eye from every angle, and hints at the promise of an amazing drive.

Inside the driver-focused Charcoal interior, you're surrounded by bespoke materials and trim. Your body is comfortably supported by R-Design seats in Leather/Nubuck upholstery. Everything – from the R-Design Sport Steering Wheel with shift paddles to the Charcoal headliner – is there to inspire and put you in control. And unique for R-Design, the optional Lava interior carpeting creates a youthful, stylish ambience that will energize your every drive.

INSPIRED BY THE ART OF DRIVING

R-Design is our sportiest expression, characterized by dynamic contrasts and a confident presence. Unique exterior design details in black, such as the front grille, the roof, and the door mirror caps, together with large alloy wheels, make it possible to create a truly distinctive look. The sporty theme continues inside, with R-Design Leather/Nubuck seats, concave Cutting Edge Aluminum Decor, and optional Lava carpeting. A sport chassis ensures you're always in control of the road.

Enjoy the dynamic feeling inside your XC40 R-Design. The Charcoal interior with optional Lava carpeting and door inserts create energizing contrasts, while the exclusive R-Design seats, the Cutting Edge Aluminum Decor, and the R-Design Leather gear knob with white stitching enhance the car's sporty soul.

The optional 20" 5-Double Spoke Alloy Wheels in distinctive Matte Black Diamond Cut design add to the powerful stance and work in perfect harmony with the signature design Thor's Hammer LED headlights and gloss black design elements.

The R-Design grille features a gloss black frame and a high-gloss black insert with a horizontal mesh for a unique look, which complement the gloss black mirror caps.

From the rear, the integrated dual tailpipes and gloss black rear skid plate add to the impression of sporty elegance.

The concave Cutting Edge Aluminum Decor with integrated LED lighting creates a sporty, exclusive ambience inside your XC40 – day and night.

Upholstered in exclusive Leather/Nubuck, the multi-adjustable R-Design seats provide generous body support wherever you go. Contrasting white stitching and piping adds to the sporty ambience, while the manual seat cushion extensions provide extra thigh support.

The driver-focused R-Design interior with R-Design sports steering wheel in Perforated Leather, R-Design leather gear knob, aluminum sport pedals, and shift paddles put you in the centre of the action.

The exterior colour you choose for your XC40 R-Design makes a big impact on its visual expression. Crystal White Metallic with the contrasting gloss black roof gives a cool, robotic look, while the Black Stone exterior colour adds to a more powerful style – especially with the large 20" Alloy Wheels in Matte Black Diamond Cut.

YOUR XC40 – THE WAY YOU WANT IT

Create an XC40 that's perfect for the way you live, with impressive Volvo accessories designed around you and your car.

Our range of exterior accessories is carefully crafted to boost the inherent versatility and ruggedness of the XC40. Designed to look good

and work flawlessly, they are made from tough, high-quality materials. XC40 accessories are built to withstand everything that life – and the elements – throw at them.

LOAD CARRIER

Your XC40 is there to help you pursue your passions, and our stylish low-profile load carriers allow you to take what you love with you. Easy to fit, they instantly allow you to fit our load carrier accessories, from the bike rack to the canoe holder.

DETACHABLE TOWBAR

Easily detachable, this robust hitch adds convenience by optimizing your Volvo's towing and loading potential. Supplied with a 2" ball, ball mount and wiring. By simply removing a pin, the ball section is removed, allowing for the addition of tow hitch mounted accessories. A trailer module manages all the electrical connections, and provides information to the driver on bulb integrity.

MUD FLAPS

Keep your car looking good with specially designed mudflaps that fit the body of the XC40 perfectly, deflecting dirt and grime from the car's bodywork.

21" ACCESSORY WHEEL

For the strongest expression of the tough, sporty character of the XC40, choose our 21" 5-Triple Open Spoke Black Diamond Cut Alloy Wheel with summer tires. These beautifully crafted wheels perfectly complement the car's uncluttered lines.

BUILT TO BE USEFUL

The interior accessories available for the XC40 are designed to make your Volvo even more practical and durable, so that it's an even more useful part of your life. Whether it's helping you to carry your things as securely and easily as possible, or protecting the interior of your car,

our range of accessories makes life less complicated and allows you to use the full range of your car's capabilities. And because these are Volvo-designed accessories, you can be sure that they are built to last, effortless to use, and fit your XC40 perfectly.

LOAD COMPARTMENT MATS

Accessory load compartment mats help you keep the interior of your XC40 as good as new, whatever you're doing. There is a tough plastic mat with raised edges that's rugged and easy to clean, and a reversible mat that has high-quality textile on one side and durable plastic on the other, to suit differing needs.

STEEL GRILLE

Our strong steel grille provides a sturdy barrier between the passenger and load compartments, preventing unsecured loads from causing harm in the cabin. Fitted using simple attachment points, it helps you transport large or bulky items as safely and securely as possible.

ALL-WEATHER MATS

These durable mats protect the interior of your XC40 from muddy boots and shoes. Shaped to fit the footwells perfectly, they won't slip or shift on the move. Raised edges stop wet and dirt leaking onto the car's carpet.

SENSUS

SENSUS OPTIONS.

Sensus Connect comes with a host of features as standard equipment: there's the easy-to-use 9" Sensus Touchscreen, the eye-catching 12.3" Digital Driver Display, our High Performance audio system, voice control, and smartphone connectivity options with both Apple CarPlay™ and Android Auto™. All this, combined with the standard Volvo on Call and onboard WiFi hotspot means you'll always be able to stay connected, wherever your journey takes you.

And if you'd like to take things a step further, there's a wealth of options. Sensus Navigation incorporates mapping directly into your 9" Sensus Touchscreen and can even display your position and directions in the middle of the 12.3" Digital Driver Display to make finding your way a breeze. VOLVO EUROPEAN DELIVERY

THE EXPERIENCE BEGINS IN SWEDEN

Volvo European Delivery is a unique program that gives you an exciting opportunity to pick up your new Volvo from our state-of-the-art factory in Gothenburg, Sweden. But that's just the beginning.

THE TRIP INCLUDES:

- A savings off of the Canadian base MSRP, which varies by Model
- Opportunity to personalize your new Volvo*
- Complete travel packages for Sweden and/or Europe via our travel concierge, who can help you personalize your adventure
- Two round-trip plane tickets to Gothenburg, Sweden via SAS / Plus economy seating (including private transport upon arrival)
- One overnight stay at a hotel including dinner at a local restaurant
- Premium delivery at Factory Delivery Centre (including private transport and lunch)
- Guided tour of the Volvo factory
- A visit to the Volvo Museum and/or the Volvo Cars Brand Experience Centre
- European car insurance (including Volvo Roadside Assistance and Global warranty coverage) for two weeks**
- Home shipment of your new Volvo

Your adventure begins in Volvo's hometown of Gothenburg, located on Sweden's scenic west coast. Here, you will pick up your new Volvo in person as it rolls out of the factory gate. You will then have the chance to explore the world of Volvo, where you will learn all about the unique culture that inspired the elements of your car.

With Volvo European Delivery, you can custom build and personalize* your new Volvo before taking a once-in-a-lifetime trip to pick it up in the country that built and inspired it. Volvo European Delivery delivers a car that is truly designed around you.

Please note: Changes in the order of your day's schedule may occur.

If you would like to know more about Volvo European Delivery, contact your local Volvo Cars Retailer, the Customer Care Centre at 1-800-663-8255.

* Personalization is based on market requirements and specifications. All options / packages and accessories must be Canadian Market-specific.
** Global Warranty coverage remains in effect until your vehicle returns to Canada and is registered with Volvo Car Canada.

Service By Volvo

Taking care of you and your Volvo is our top priority. With a unique approach to service that is personal, professional and efficient, we get you everything you need in the simplest way possible. To make your life less complicated.

Knowing your vehicle is always up to our highest standards for as long as you own it – that's the driving force behind Service by Volvo. To help you get the most out of your Volvo, we'll ensure each service or maintenance provides peak conditioning through our expertly trained technicians, field-tested repair methods, and precision-engineered genuine parts. That's because we focus on our promises to service your car and simplify your life.

OUR SERVICE BY VOLVO PROMISES

When you have your car serviced at an authorized Volvo dealer, we promise to provide you with a premium ownership experience for the life of your vehicle. Enjoy our Lifetime Parts and Labour Warranty,* so you pay only once, knowing your car is always up to our highest standards. Receive free technical software updates** and more. No sign-up required.

Lifetime Parts & Labour Warranty*

Free Software Updates**

Complimentary Car Wash

Alternative Transportation

* Excludes consumable parts due to normal wear. See dealer for details. Non-transferable.

** New software required as part of a repair or accessory installation is not included.

The most carefree way to own a car. Ever.

LEASING OPTIONS*

FLEXIBLE TERMS

Leasing is available for terms as short as 24 months or up to 48 months. You can drive a new Volvo car every few years while within the manufacturer warranty and maintenance plans and without the burden of negotiating trade-in values.

CHOICE OF MILEAGE PLANS

The standard mileage option allows up to 24,000 kilometres per year, however, several other mileage plans are available to tailor to your commuting needs. Under the low mileage plan, options are available as low as 12,000 kilometres per year and we also offer plans for drivers who will exceed 24,000 kilometres per year.

MULTIPLE SECURITY DEPOSIT LEASE

A multiple security deposit lease allows you to place a lump sum refundable security deposit at lease inception, which reduces your monthly lease charge resulting in substantial savings over the term of the lease. The additional security deposits are refunded to you at the end of the lease term.

GUARANTEED AUTO PROTECTION (GAP) WAIVER

Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo car is declared a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the balance owed to Volvo Car Financial Services less any deductible.

EXCESS WEAR AND TEAR ADVANTAGE

As a part of everyday driving, normal wear and use can be expected. However, when turning in your leased vehicle, you may be responsible for any excess wear and use damage, therefore, Volvo Car Financial Services offers an optional plan to protect you and your car from unexpected occurrences that happen from nature and chance.

FINANCE OPTIONS*

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned cars. Our low rates and flexible terms can get you behind the wheel of the Volvo you want to drive with finance terms up to 72 months.

* On approved credit, please contact your local Volvo car retailer for detailed information on Financial Services Options.

SPECIAL PROGRAMS

VOLVO MOBILITY PROGRAM

The goal of the Volvo Mobility Program is to assist persons with physical disabilities or hearing impairment. For those with exceptional transportation needs, this can be facilitated within the extraordinary comfort and safety of a specially adapted Volvo car. For additional information on this program, please contact **Mobility by Volvo Customer Care** at **1-800-663-8255**.
